## SATURDAY 6 JULY 2024

Step back in time and join us for an unforgettable night out in the Goulburn Valley on board an immaculately restored heritage train featuring numerous breathtaking carriages, with many dating from as far back as 1906. During the journey, dinner guests will enjoy a delicious three course meal served in our original 1937 'Spirit of Progress' dining car.

Before or after dinner there will be ample time to explore our heritage train from end to end or simply sit back and take in the sights, sounds and smells of train travel from a bygone era. The train features observation decks on both ends where travellers can enjoy an unforgettable and nostalgic outdoors experience whilst rolling along in style. This is the only train operating on a mainline in Victoria with this unique and exhilarating feature!

A 'travel only' option will also be available for those wishing to bring their own dinner and have an evening out in style with family and friends. A bar and kiosk will serve small range of light refreshments and beverages. Note: strictly no BYO alcohol.
